

ThinkTWENTY20 is a quarterly magazine directed to accountants and other financial professionals, aimed at helping them meet the challenges of the future. We're dedicated to high-quality and intensive articles on the subjects that are most important to this audience. We reach over 4,000 financial professionals – many of them decision makers for their firms – through our subscribers and LinkedIn contacts.

As such, *ThinkTWENTY20* (*TT20*) offers a great opportunity for many firms to display their products and services – in effect, to “strut their stuff.”

Many firms today are turning to sponsored content, providing knowledgeable articles that provide important details about what they have to offer to their markets. *TT20* is interested in publishing sponsored content and is offering a special deal under which we will publish these types of articles in our magazine, our newsletter and on our website (www.thinkttwenty20.com). All this for a price of just \$500!

Also, we offer advertising space in those vehicles. A full ad costs only \$375.00; a logo ad (including a website link) is available at \$100.

If this is of interest to you, please email info@thinkttwenty20.com and we will respond within the day.

The *ThinkTWENTY20* Team, helping you to connect with your audience.
