***Trivergence: Accelerating Innovation with AI, Blockchain, and the Internet of Things,***  
**by Bob Tapscott**

Writer, speaker, complex system designer, and former CIO *Bob Tapscott* introduces an exciting new concept in explaining how the intersection of artificial intelligence (AI), blockchain, and the Internet of Things (IoT) will transform business and society. He explains the synergies between these technologies and the disruptive potential that they will offer, as well as the challenges and risks to making it happen. He offers an insightful guide through the difficult decisions that businesses and society must make to thrive in a new era where decisions will

be difficult, and uncertainties abound. According to Tapscott,

“Trivergence will soon make science fiction a reality!”
